### **Kid's Race**

There will be a kid's race taking place shortly after the start of the main race. Each participant will receive some free goodies courtesy of Craig Dabler Jeweler's. Please be aware we will not be able to provide child care.

## Course / Safety

Sunset is at 6:55 PM. **Aid stations (mile 1.7, mile 3.7 and mile 5.7)** and finish line will be picked up 105 minutes after the start. If you plan to be out on the course after dark please be aware you'll be on your own. Carry a flashlight, blinky light, headlamp, etc! Glow sticks will be available at no charge. There may be members of the Sabino Canyon Bike Patrol and/or Park Personnel on the course to increase park safety.

This is an out-and-back course on a winding road. For the safety of all participants, **stay to the right** to avoid runners coming in the opposite direction. Currently, just one of the bridges is wet, with less than an inch of water.

If you are participating in the 7.4 mile non-competitive event, please be yield to the competitive entrants. Stay to the right, avoid walking in wide groups that block the road, and cross the bridges single-file once the first runners start over-taking you. In addition to water stops on the course, there are several park-owned water fountains and bathrooms available to use.

## Awards

The awards ceremony will be held in the park, near the finish area. See the website for more information on award categories.
